## ORGANIC COCOA AND HAZELNUT CREAM

From the union of roasted hazelnuts and cocoa comes a delicious cream, ideal to be spread. It represents the perfect snack, or an excellent cream to garnish cakes. The Organic Cocoa and Hazelnut Cream is produced with high quality ingredients and with a percentage of nuts of min. 26 %, higher than in other commercial creams.

Hazelnut is an extraordinary fruit from a nutritional point of view. It is rich in monounsaturated fat acids, vitamins and minerals.

Sicily is among the first four regions in Italy for productions of nuts, 12.000 ha. The majority of them are on the Nebrodi mountains.
